REVISION	2	ISSUED	[redacted]

1. What we keep

WHAT	WHY	WHERE
Your Discord user id and username	To link your accounts and give you roles	The SCP Metaverse database, hosted on Cloudflare
Your Roblox user id and username	To link your accounts and let the games know your clearance	The SCP Metaverse database
A Discord sign-in key, stored encrypted	To keep your SCP Metaverse roles in Discord in step with your clearance level	The SCP Metaverse database, hosted on Cloudflare
Your faction, department, rank and clearance	To run the roleplay across the server, games and Archive	The SCP Metaverse database
Files you write for the Archive	To publish them, with you credited	The SCP Metaverse database
Moderation records about you	To apply the Disciplinary Code fairly	#mod-log and the SCP Metaverse database
Your progress and data in the Roblox places	To save your game	Roblox's own data storage

2. What we never collect

Your real name, age, email address, phone number, location, school, photos, or passwords. Staff will never ask for them. If anyone does, report it.

3. Who can see it

1. Your usernames, roles, rank and clearance are visible to other members, as roles always are on Discord.
2. Moderation records are seen only by staff and the Creators.

3. Developers see stored data only as far as their work needs, under the SCP Metaverse Charter.
4. We never sell or share your data with anyone outside SCP Metaverse.

4. Discord and Roblox

Discord and Roblox keep their own data about you under their own privacy policies. This notice covers only what SCP Metaverse itself stores.

5. Removing your data

Message a Creator and ask. We remove your linked accounts, roles and records within 30 days. Archive files you wrote stay published unless you also ask for your name to be taken off them. Moderation records about serious offences may be kept so a ban can still be enforced.
