FOUNDATION SITE FILE 06
LEVEL 1, RESTRICTED

Site-06 Charter

Site-06 is the Foundation's remote containment site, in the far north. It holds the anomalies too dangerous to keep anywhere else, Keter-class above all, and is built so that nothing held there ever leaves. This charter declares the site, its functions and posts, and the directives and rules that hold within it, under Foundation Directive 006.

DOCUMENT	**FOUNDATION SITE FILE 06**	CLASSIFICATION	**LEVEL 1, RESTRICTED**
APPLIES TO	**ALL PERSONNEL ASSIGNED TO OR VISITING SITE-06**	KIND	**IN CHARACTER**
REVISION	**1**	ISSUED	**[redacted]**

SEAL OF SITE-06
PUBLIC

INSIGNIA OF SITE-06
RESTRICTED

Nihil exit
NOTHING LEAVES

1. Declaration

By Foundation Directive 006, the O5 Council establishes Site-06 as an Armed Site of the Foundation, governed by its Site Director under this charter.

ENTRY	VALUE
Site	Site-06
Code-name	OUBLIETTE (restricted)
Designation	Armed Site
Function	Containment
Security tier	5 of 5
Motto	*Nihil exit* (Nothing leaves)
Clearance held here	Site-06 Site Clearance
Seal	Public
Insignia	Restricted: personnel holding this site's clearance

2. Functions

1. Containment of Keter-class anomalies and any anomaly the O5 Council sends here.
2. Deep storage of anomalous items that must never be used.
3. A standing garrison ready to hold the site alone.

3. Positions

POST	HELD BY	ANSWERS TO	DUTIES
Site Director	Appointed by the O5 Council	The O5 Council	Commands the site; issues Site Orders
Containment Chief	Senior Researcher appointed by the Site Director	Site Director	Every containment procedure on site
Security Chief	Security Department lead at the site	Site Director	Checkpoints and the inner doors
Garrison Commander	MTF officer stationed at the site	Site Director	The garrison and breach response
Ethics Observer	Foundation Observer of the Ethics Committee	The Ethics Committee	Witnesses every test on site

The Site Director must be a member of Site-01 personnel and may also head a department. They have no authority at any other site, and may not enter one without its Site Clearance. A Site-01 officer who directs no site, and whose Site-01 clearance is at least the director level, has the same authority here as the Site Director (Directive 006).

4. Zones

ZONE	HOLDS	MINIMUM SITE CLEARANCE
Outer Checkpoint	Arrival, search and quarantine	Level 2
Garrison Block	Quarters and armoury	Level 3
Containment Rings	Contained anomalies	Level 4
The Vault	Items that must never be used	Level 5

Doors and checkpoints enforce these levels. In Roblox, the server reads each player's clearance for this site and opens only the doors it allows.

5. Site directives

Standing directives of Site-06, numbered SD-06. Site Orders issued by the Site Director are numbered ORD-S06-000 and add to them.

1. **SD-06-1.** Lockdown drills run every week and are logged.
2. **SD-06-2.** Every door in the Containment Rings is opened by two people at once.
3. **SD-06-3.** Containment procedures are reviewed by the Containment Chief whenever an anomaly's behaviour changes.

6. Special rules

1. Nothing held at Site-06 leaves it without an O5 order naming it.
2. Visitors need Site-06 clearance at Level 4, and are searched in and out.
3. No test on a Site-06 anomaly runs without the Ethics Observer present.
4. Class-D personnel are not used at Site-06 without the Ethics Committee's written approval.
5. If the site is cut off, the Site Director holds O5 authority on site until contact returns.

7. Authority

This charter is issued under Foundation Directive 006. It gives way to the Foundation Charter and to O5 Directives; Site Orders give way to it. It is amended only by the O5 Council.
