LEVEL 1, RESTRICTED

Site-07 Charter

Site-07 is the Foundation's depot, south-west of Site-01. Everything the Foundation moves passes through it: resources to the works, parts to the sites, supplies to the zones, by hand, vehicle, rail and convoy. This charter declares the site, its functions and posts, and the directives and rules that hold within it, under Foundation Directive 006.

1. Declaration

By Foundation Directive 006, the O5 Council establishes Site-07 as a Site of the Foundation, governed by its Site Director under this charter.

2. Functions

1. Warehousing of resources, parts and supplies.
2. Scheduling of every delivery between sites, zones and settlements.
3. The rail yard and the convoy pool.
4. Recovery of lost or hijacked cargo with the Mobile Task Forces.

3. Positions

POST	HELD BY	ANSWERS TO	DUTIES
Site Director	Appointed by the O5 Council	The O5 Council	Commands the site; issues Site Orders
Logistics Chief	Logistics Department lead at the site	Site Director	Schedules, stock and deliveries

The Site Director must be a member of Site-01 personnel and may also head a department. They have no authority at any other site, and may not enter one without its Site Clearance. A Site-01 officer who directs no site, and whose Site-01 clearance is at least the director level, has the same authority here as the Site Director (Directive 006).

4. Zones

ZONE	HOLDS	MINIMUM SITE CLEARANCE
Loading Gates	Arrivals and departures	None
Warehouses	Stock in storage	Level 1
Rail Yard	Trains and track	Level 1
Control Office	Schedules, routes and manifests	Level 2

Doors and checkpoints enforce these levels. In Roblox, the server reads each player's clearance for this site and opens only the doors it allows.

5. Site directives

Standing directives of Site-07, numbered SD-07. Site Orders issued by the Site Director are numbered ORD-S07-000 and add to them.

1. **SD-07-1.** Every shipment carries a manifest, checked at the Loading Gates in and out.
2. **SD-07-2.** Convoy routes are set by the Convoy Master and shared only with the convoy.
3. **SD-07-3.** Stock is counted every week and differences are reported to the Site Director.

6. Special rules

1. Nothing is moved by menu or by order alone: a delivery happens only when someone carries it there.
2. Cargo is never left unattended outside a warehouse or vehicle.
3. A hijacked or lost shipment is reported at once; the Convoy Master calls Site-04 for recovery.
4. Containment materials travel only with a Security escort.

7. Authority

This charter is issued under Foundation Directive 006. It gives way to the Foundation Charter and to O5 Directives; Site Orders give way to it. It is amended only by the O5 Council.
