Site-08 Charter

Site-08 is the Foundation's listening post, on the western edge of the protected zones. It watches the settlements, the Ruins and the Chaos Insurgency, speaks for the Foundation to those outside it, and keeps the signals that join the sites. This charter declares the site, its functions and posts, and the directives and rules that hold within it, under Foundation Directive 006.

2. Contact and negotiation with governments, settlements and groups outside the zones.
3. The signals station: the communications network between sites.
4. Counter-intelligence with the Internal Security Department.

3. Positions

The Site Director must be a member of Site-01 personnel and may also head a department. They have no authority at any other site, and may not enter one without its Site Clearance. A Site-01 officer who directs no site, and whose Site-01 clearance is at least the director level, has the same authority here as the Site Director (Directive 006).

4. Zones

ZONE	HOLDS	MINIMUM SITE CLEARANCE
Gate Office	Visitors and envoys from outside	None
Signals Room	The communications network	Level 2
Analysis Floor	Reports and assessments	Level 3
Station Office	Sources and operations	Level 4

Doors and checkpoints enforce these levels. In Roblox, the server reads each player's clearance for this site and opens only the doors it allows.

5. Site directives

Standing directives of Site-08, numbered SD-08. Site Orders issued by the Site Director are numbered ORD-S08-000 and add to them.

1. **SD-08-1.** Every contact with an outside group is reported to the Envoy within a day.
2. **SD-08-2.** Signals logs are kept for every message sent across the network.
3. **SD-08-3.** Assessments go to the O5 Council through the Archivist of the Foundation.

6. Special rules

1. Sources are never named in a file below Level 4.
2. No one contacts the Chaos Insurgency without the Station Chief's approval.
3. Site-08 is a Provisional Site: it may be moved by O5 order without amending this charter.
4. Anything learned at Site-08 is shared on a need to know, whatever the reader's clearance.

7. Authority

This charter is issued under Foundation Directive 006. It gives way to the Foundation Charter and to O5 Directives; Site Orders give way to it. It is amended only by the O5 Council.
